

Pentagon Madmen Are About to Start World War III

The CONFederate MADMEN in the Pentagon are about to start WORLD WAR III with Russia....They are FEVERESHLY setting up bases in Eastern Europe, the Balkans, Ukraine, [Georgia](#), and Afghanistan etc., etc....Of course they hope to avoid an all out war by checkmating Russia and rendering her nuclear deterrent ineffectual.

These MADMEN dream of succeeding where [Napoleon](#) and Hitler failed . . . by invading and destroying that GREAT nation.

To this end, the Jesuit general has appointed 2 fanatical Fatima crusaders to the top jobs in the Pentagon.

2 fanatical Irish Roman Catholic [CONfederates](#) hold the top jobs at the Pentagon.

They are **ARMED** and **DANGEROUS** and are **HELL BENT** on starting a war with Russia!!

Admiral Mullen, chairman of the Joint Chiefs of Staff, is the head man in the Pentagon under the Jesuit general.

General Patrick J. O'Reilly is responsible for surrounding Russia with weapons of mass destruction.

These men have absolutely no connection with the real [St. Patrick](#) who brought the true Catholic Faith to that island.

Irish Roman Catholic MAD Mike Mullen is overall coordinator of the huge Pentagon death machine, while his fellow countryman and subordinate O'Reilly is in charge of placing offensive nuclear missiles right up to the Russian border.

In this picture, O' Reilly can be seen with U.S. Under Secretary for Arms Control and International Security John Rood, during a press conference in Prague. The Pentagon is currently "negotiating" with Warsaw and Prague on placing offensive missiles in Czechoslovakia and Hungary.

According to the [Syllabus of Errors](#) of Pope Pius IX, it is a CARDINAL DOGMA that the Pope must recover the lost Papal States:

76. The abolition of the temporal power of which the Apostolic See is possessed would contribute in the greatest degree to the liberty and prosperity of the Church. —Allocutions "Quibus quantisque," April 20, 1849, "Si semper antea," May 20, 1850. (**Condemned as**

error).

A 20th century Pope, Leo XIII, even said that the Pope cannot function without the Papal States:

"Passing from a right conception of the spiritual primacy of the Popes to its free and full exercise, Cardinal Pecci shows that this at present is not possible without the possession of a temporal sovereignty rendering the Pontiff independent of the influence of any one superior" (O'Reilly, *Life of Pope Leo XIII*, p. 203).

Getting back the [Papal States](#) will not be possible as long as Russia is strong and powerful, and able to counteract the diabolical schemes of the Pentagon to obtain global hegemony.

The reasons for the fanatical Jesuit hatred for Russia!!

These fanatical Fatima crusaders are possessed of a diabolical hatred for Russia. There are many reasons why Russia is on Rome's death list and here are just 5 of them:

1. Russia defeated Jesuit [Napoleon Bonaparte](#) in 1812.
2. Russian navy saved the Union during the [Civil War](#).
3. Russia was the first major nation to recognize the new [Italian government](#) in 1871.
4. Russia slowed down the German juggernaut at the beginning of WWI.
5. Russia defeated Jesuit Adolf Hitler in WWII.

Any *one* of the above reasons is enough to rouse the ire of Rome, but when you put them all together, you have a sure recipe for religious and ideological hatred leading to the most bizarre and totally insane irrational behavior.

Oliver Cromwell created the fanatical Irish Roman Catholicism!!

The fanatical Irish Jesuits, who are slavishly serving the Pentagon today, were created by Jesuit [Oliver Cromwell](#) and centuries of British Jesuit "persecution" of the Irish.

Cromwell is considered a HERO in England but in Ireland he is as hated as [Hernán Cortés](#) in Mexico.

He is a great recruiter for the Irish Jesuits, and it is a wonder that they have not made him a "saint."

The U.S. hierarchy is mostly Irish Roman Catholic, and they have a death grip on the Pentagon standing army.

Oliver Cromwell (1599-1658).
Reigned from 1653 to 1658.

Parliament in London.

A typical Jesuitical trick is to persecute their own dupes and thereby gain sympathy for their cause. The most notorious example of this strategy is the case of Galileo and his moving earth madness.

Russia saved the Union during the Civil War!!

By falsifying history and intense brainwashing, the Pentagon wants to keep the people IGNORANT of the history of this GREAT nation. They won't even admit that the Revolution was caused by a peacetime British standing army in Boston:

"A standing army thus placed in their capital, their commerce fettered, their character traduced, their representative body prevented meeting, the united petitions of all ranks that they might be convened at this critical juncture rejected by the governor; and still threatened by a further augmentation of troops to enforce measures in every view repugnant to the principles of the British constitution; little hope remained of a peaceful accommodation "(Warren, *History of the Rise, Progress and Termination of the American Revolution*, vol. I, p. 38).

Another FACT that they won't admit is that [Russia](#) saved the Union from foreign invasion during the darkest days of the Civil War.

Czar Alexander II (1818-1881)
Czar of all the Russias from
1855 to 1881.

Russia saved the Union by sending her fleet to New York and San Francisco in 1863.

[Czar Alexander II](#) was determined to keep Great Britain and France from joining the [rebels](#).

Russian frigate *Osliba* in Alexandria, Virginia, in 1863.

For the Czar of Russia, the Union was an essential element in maintaining the world balance of power. The Emperor made his views known through his foreign minister, Prince Gortchakoff:

"This Union is not simply in our eyes an element essential to the universal *political* equilibrium. It constitutes, besides, a nation to which our august master and all Russia have pledged the most friendly interest; for the two countries, placed at the extremities of the two worlds, both in the ascending period of their development, appear called to a natural community of interests and of sympathies, of which they have already given mutual proofs to each other."

The Czar of Russia did more than just utter platitudes about the necessity of maintaining the Union. He backed up his words with action.

When the [Trent affair](#) broke out and Great Britain was preparing for war, he ordered his Pacific fleet to San Francisco and his Baltic fleet to New York.

The admirals of the fleets were given sealed orders and told to report to President Lincoln in the event of war with Great Britain or France.

Spain and the Vatican never forgave Russia for their role in preserving the Union. That is why the warmongers at the Pentagon are *always* trying to destroy Russia.

This great Czar—like Nicholas II—was killed by a Jesuit assassin in 1881.

Pray daily for Russia!!

Pray daily for the conversion of Russia to the TRUE CATHOLIC and Christian Faith of the Bible.

Pray especially that God will foil and frustrate all the plans of the WICKED and preserve Russia from a

sneak attack by the Pentagon.
