

The Spanish Inquisition

"Lest Satan should get an advantage of us: for we are not ignorant of his devices." (II Corinthians 2:11).

The Spanish Inquisition in action in the New World!!

The Spanish told the Indians that they had a disease that only gold could heal...On the island of Cuba the cacique or chief denied that he had any hidden gold. As a result *he* was BURNED ALIVE:

Here is a report from a Dominican priest named Bartolomé de las Casas who was an eyewitness to many of the atrocities committed by his own people:

Cuban chief Hatuey was burned alive at the stake.

"The Spaniards told the Indians that they had a disease that only gold could heal. They demanded that the Cuban cacique Hatuey reveal the location of the gold. He denied that he had any hidden gold and as a result he was ordered to be burned alive.

When the cacique was bound to the post, a Franciscan friar ... told him some of the matters of our Faith, which the chieftain had never before heard. . . . The padre told the cacique that if he wished to believe these things, he would go to Heaven ... but if not, he would go to Hell and suffer eternal torment and sorrow. The cacique ... asked the friar if Christians went to Heaven, and was told that the good ones did. The cacique, without further thought, said that he did not wish to go to Heaven but to Hell, so as not to be with Spaniards or see such cruel people."(Las Casas, *The Devastation of the Indies: a Brief Account*, p. 45).

The Spanish Inquisition in action in the Old World!!

Spanish Christians arrested by the Inquisition.

On May 31, 1559, Dona Isabella and a group of Protestant Christians were worshipping the Lord in a home. It was reported to the Holy Office and they were all arrested and arrayed before the dreaded Inquisition.

Dona Isabella was the cousin of King Philip II. She was at least 7 months pregnant at the time.

Not even her blood relationship with the emperor could save her. She was placed on the rack and tortured in order to get her to implicate others and deny her Faith in Christ.

Dona Isabella remained steadfast to the end and refused to recant. As a result, *she* was burned alive at the stake. Dona Isabella and her unborn child both ascended to Heaven in the flames.

Dona Isabella was tortured and burned alive at the stake for her Faith in Christ.

Dona Isabella was tortured with the *water torture* in order to get her to deny her Lord.

St. Paul brought TRUE Christianity to Spain

The worldwide spread of true Christianity began when the Apostle Paul met the Risen Christ on the Damascus Road. At high noon, he experienced a tremendous vision from Heaven that knocked him to the ground:

"And it came to pass, that, as I made my journey, and was come nigh unto Damascus about noon, suddenly there shone from heaven a great light round about me.

And I fell unto the ground, and heard a voice saying unto me, Saul, Saul, why persecutest thou me? And I answered, Who art thou, Lord? And he said unto me, I am Jesus of Nazareth, whom thou persecutest.

And they that were with me saw indeed the light, and were afraid; but they heard not the voice of him that spake to me.

And I said, What shall I do, LORD? And the Lord said unto me, Arise, and go into Damascus; and there it shall be told thee of all things which are appointed for thee to do." (Acts 22: 6-10).

Saul of Tarsus
experienced a heavenly
vision on the Damascus
Road.

The first place that St. Paul went after his conversation to Christ was to ARABIA:

"But when it pleased God, who separated me from my mother's womb, and called me by his grace, To reveal his Son in me, that I might preach him among the heathen; immediately I conferred not with flesh and blood:

Neither went I up to Jerusalem to them which were apostles before me; but I went into **ARABIA**, and returned again unto Damascus" (Galatians 1:15-17).

St. Paul was an ARMY OF ONE as he preached the Gospel throughout the Roman Empire. His next major destination was Rome. After traveling all over the Roman Empire with the Good News that Jesus was Risen from the dead, he was arrested in Jerusalem and almost killed by the fanatical false religious leaders. Despite their murderous attempts on his life, the Lord promised him that he would testify of Him at Rome:

"And the night following the Lord stood by him, and said, Be of good cheer, Paul: for as thou hast testified of me in Jerusalem, so must thou bear witness also at **ROME**" (Acts 23:11).

After establishing the true congregation at Rome, Paul was ordered to stand before Caesar (Nero). Nero acquitted him of any crime and set him free. It was then that Paul went to Spain and established true Christianity there. We have no record of Paul's supernatural ministry in Spain because ALL the history of the early Christians was destroyed in the last great pagan persecution of the congregation. The history in the *Book of Acts* ends with Paul a prisoner at Rome:

"Whensoever I take my journey into **Spain**, I will come to you: for I trust to see you in my journey, and to be brought on my way thitherward by you, if first I be somewhat filled with your company" (Romans 15:24).

"When therefore I have performed this, and have sealed to them this fruit, I will come by you into **Spain**" (Romans 15:28).

St. Paul *did* reach Spain and planted the good tree of TRUE Christianity there. Tradition says that he went as far west as Britain before his final arrest and death by beheading at Rome.

God knew that during the congregation age, Satan would concentrate all of his activity in the following areas, so Jesus sent His Apostle Paul to forestall Satan and set up the true congregation in these 3 places.

ARABIA ... ROME . . . SPAIN

As the Apostle to the Gentiles, and divinely guided by the Holy Spirit, the Apostle Paul made these 3 destinations the principal focus of his ministry.

Emperor Constantine and the counterfeit heavenly vision!!

The so-called conversion of [Emperor Constantine](#) was an exact COUNTERFEIT of the conversion of Saul of Tarsus. The vision actually happened at the same time of day: high noon:

Constantine and his counterfeit
"heavenly vision."

"Accordingly he (Constantine) called on him with earnest prayer and supplications that he would reveal to him who he was, and stretch forth his right hand to help him in his present difficulties. And while he was thus praying with fervent entreaty, a most marvelous sign appeared to him from heaven, the account of which it might have been hard to believe had it been related by any other person. But since the victorious emperor himself long afterwards declared it to the writer of this history, when he was honored with his acquaintance and society, and confirmed his statement by an oath, who could hesitate to accredit the relation, especially since the testimony of after-time has established its truth? He said that about noon, when the day was already beginning to decline, he saw with his own eyes the trophy of a cross of light in the heavens, above the sun, and bearing the inscription, CONQUER BY THIS. At this sight he himself was struck with amazement, and his whole army also, which followed him on this expedition, and witnessed the miracle." (Eusebius, *Life of Constantine*, p. 490).

Emperor Constantine was the first Pope and the founder of Roman Catholicism. Many of the barbarian tribes of northern Europe embraced this new religion with the familiar CROSS emblem. One of these tribes was called VISIGOTHS or West Goths. The Visigoths invaded and conquered Spain around 500 A.D.

The Visigoths brought Roman Catholicism to Spain!!

The Visigoths established the Papal Roman hierarchy in Spain. They ruled that country for about 2 centuries and the condition of the people was far WORSE than under pagan Rome.

Here is a quote from the great historical classic *The Story of the Moors in Spain*:

Visigothic kingdom of Spain from around 500 A.D. to 711.

"Such was the condition of Spain when the Mussulman approached her borders. A corrupt aristocracy divided the land among themselves ; the great estates were tilled by a wretched and hopeless race of serfs ; the citizen classes were ruined. On the other side of the straits of Gibraltar were the soldiers of Islam, all hardy warriors, fired with the fervour of a new faith, bred to arms from their childhood, simple and rude in their life, and eager to plunder the rich lands of the infidels. Between two such peoples there could be no doubt as to the issue of the fight; but to remove the possibility of doubt, treachery came to the aid of the invaders." (Stanley Lane-Poole, *The Story of the Moors in Spain*, p. 8).

The Moors destroyed the Visigothic kingdom of Spain

The Moors were a Moslem tribe from North Africa called Berbers. They invaded Spain in 711 and soon had almost the entire country under their control except for a small area in the north.

[Click to enlarge.](#)

In 710, a battle for succession to the Visigothic throne erupted in Spain following the death of King Witiza. A dynastic conflict prevented the succession of Witiza's son, and Roderick, duke of Baetica, claimed the throne. In an effort to oust Roderick, Witiza's family appealed to Muslims in North Africa for help. The Muslims

Visigothic Spain was replaced by Moslem Spain in

711.

quickly agreed.

In 711, a Muslim army under the command of Berber general Tariq ibn-Ziyad crossed the Strait of Gibraltar and invaded Spain. After defeating Roderick's army at the Battle of Guadalete in southern Spain, Muslim forces advanced swiftly into the rest of Spain. They never left until 1492!!

Portugal was created in 1139

More countries mean MORE WARS so the Vatican created the country of Portugal in 1139.

Beginning around 800 A.D., Vikings began attacking the coast of Spain. Out of this Viking enclave was created the country of Portugal with military help from Papal England.

Not only was there constant warfare between the Roman Catholics and the Moors but now was added an additional country to fight. The constant warfare hardened the people so that by the time of the discovery of the New World a horrible engine of destruction was created which was called the Spanish Inquisition.

The Moors surrendered to Ferdinand and Isabella in Jan. 1492, after occupying Spain for 781 years.....What a coincidence!!!!

The constant conflict created a hard cruel ruthless Spanish citizenry which was epitomized by the Spanish Inquisition.

Surrender of the Moors to Ferdinand and Isabella in Jan. 1492, after occupying Spain for 781 years.

This allowed for the redeployment of the Spanish army to the New World just in time to block the English and French colonization!!

Pope Alexander VI gave the entire New World to the Spanish Inquisition!!

Now that Satan had created his masterpiece called the Spanish Inquisition, it was time to present it to the world.

Pope Alexander VI.
1431 to 1503.
Pope from 1492 to 1503.

Satan gave Rodrigo Borgia 12 years in the Papacy to accomplish his mission!!

That mission was to steal the entire New World from John Cabot and England and give it to the Spanish Inquisition... Pope Alexander VI published a Bull giving the entire New World to Spain and absolutely forbidding ANY other nationality from even visiting the western continent without a license from Ferdinand and Isabella . . . and their successors!!

The Italians have a tradition that Borgia was so wicked that even the devil was ashamed of his behavior and came for him before the 12 years were up!!

His grandson, Don Francis Borgia, was the co-founder of the Jesuits.

The main mission of the Jesuits —besides fighting the Reformation — is to ensure that the Bull of Borgia is implemented in the New World.

The economic, military and "educational" arm of the Spanish Inquisition!!

The "Federal" Reserve Bank is the *economic* arm of the Spanish Inquisition.

This Bank uses USURY and the printing press paper money system as a weapon to destroy the Protestant U.S. Republic and its God given Constitution:

He who pays the piper calls the tune so the Spanish Inquisition "Federal" Reserve Bank has a virtual economic stranglehold on the entire country.

Usury is a form of economic warfare and is strictly prohibited by the Bible.

God did permit [usury](#) in the Bible but that was to help destroy the 7 wicked nations that inhabited the Promised Land.

Once those nations were destroyed, usury was strictly forbidden by the Scriptures.

Spanish Inquisition Bank a.k.a. the "Federal" Reserve Bank headquarters in Washington City on Constitution Avenue!!

The Pentagon is the *military* arm of the Spanish Inquisition in the U.S. and around the world.

The Pentagon in Washington City is the war making arm of the Spanish Inquisition.

The Pentagon is the military arm of the Spanish Inquisition.

Since the Civil War, the U.S. has faced no threat of foreign invasion so a peacetime standing army is like a leech draining the financial lifeblood of the nation.

During the 19th century, the Spanish Inquisition used Great Britain as their substitute or surrogate in order to conquer and destroy other nations.

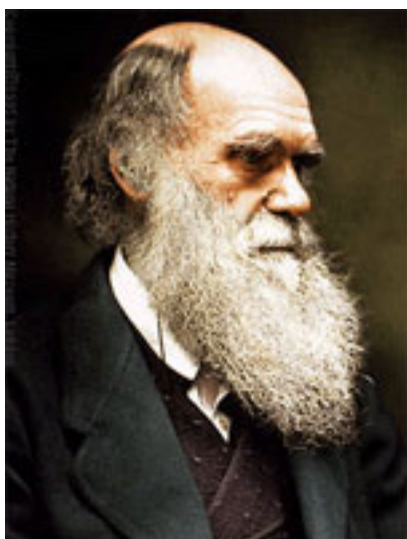

Now they are using the U.S. Republic in

the exact same manner.

Spanish Inquisition dupes Darwin and Darby!!

When it comes to "education" the Spanish Inquisition is absolutely ruthless. They used Copernicus, Galileo, Kepler and Einstein to attack the FIRST book of the Bible and Darby to attack the book of Revelation—the LAST book of the Bible.

In the secular realm they used DARWINISM or EVILution to destroy faith in the Genesis and scientific account of Creation. All the schools under their control teach Darwinism or the theory that the earth is millions of years old and that man came from monkeys.

Charles (ape-man)
Darwin.
(1809 to 1882).

This deadly Spanish Inquisition Jesuit has sent millions of souls to hell believing that they were just animals that time and chance happened to place on this small planet.

He stole his theory from ancient [Egypt](#) where monkeys were a vital part of the Pharaonic religion.

EVILution destroys faith in God and the Bible. With no fear of a coming judgment, politicians and *others* have no qualms about taking *bribes* from the "Federal" Reserve Bank in order to deliver the country to the Spanish Inquisition.

Darwin lied and denied the existence of giants and he claimed to have found the *missing link* in [Patagonia](#), Argentina.

John Nelson Darby

John Nelson Darby is known as the father of FUTURISM or Dispensationalism.

Unlike Darwin, who convinced the world that the Genesis account of Creation happened in the distant PAST, Darby convinced the world that the Book of Revelation—the last book of the Bible—applied only to the distant FUTURE or the last 7 years before the end of the world.

John Nelson Darby.
(1800 to 1882).

Prior to Darby, all Protestant Christians believed that the Book of Revelation was a history of the Christian congregation from the first century to the end of time.

They believed that the great falling away happened soon after the end of the apostolic age and that the Papal *dynasty* answered in every way to the great apostasy or falling away predicted by the Apostle Paul.

They believed that the Pope was Antichrist and that the Papal *dynasty* was the Whore of Babylon vividly described in Revelation chapters 17 and 18.

Since Antichrist would not be revealed until years in the future, the Christians were lulled into a deep sleep and stopped preaching like [Saint Martin Luther](#) and the early Reformers.

Jesus said that His followers were the SALT of the EARTH and the LIGHT of the world. Thanks to Darby, the salt has lost his savour and is good for nothing but to be trampled underfoot of the great Papal wild beast from hell. Here is an apt description of most of the Christian congregation today:

"His watchmen are blind: they are all ignorant, they are all dumb dogs, they cannot bark; sleeping, lying down, loving to slumber." (Isaiah 56:10).

And again:

"So then because thou art lukewarm, and neither cold nor hot, I will spue (spit) thee out of my mouth." (Revelation 3:16).

Like Darwin, Darby did a tremendous job for the Spanish Inquisition.
